Put Your Compassion into Action this Holiday Season!

Get the most out of your holiday of choice by giving where it's needed most. At Crossroads for Women, we need your help to make holiday wishes come true for some of our community's most vulnerable members.

Crossroads for Women Holiday Giving Opportunities

WISH LISTS

While the holiday season is a time of fun and festivities for many of us, the pressure of providing gifts can pose a financial hardship for many mothers at Crossroads. Please join us in fulfilling holiday wish lists and making wishes come true by providing brand new gifts to the mothers and children of our program. **Sponsor a single family or have your organization sponsor several families.**

FOOD BOXES

For many women and children at Crossroads for Women, this holiday season will be their first spent with loved ones in their very own homes. Holiday food boxes provide the ingredients needed for each family to host a special holiday meal in their own homes—a first for many of our families. **Donate a single holiday food box or organize your group to collect ingredients for multiple food boxes.**

ONLINE DONATIONS

The holidays are a busy time for everyone. Your monetary donation allows us to purchase holiday wish list and food box items on behalf of our clients. **Visit crossroadsabq.org/donate to make an online donation.**
